MOUNTING ACCESSORIES

C 10
Eyebolt

Eyebolt with M10 external thread for screwing in the appropriate speaker threads.
Color: metal

C 15
Eyebolt

Eyebolt with M8 external thread for screwing in the appropriate speaker threads.
Color: metal

CL 4
Cluster bracket

Right-angled cluster bracket to connect two or more PA speaker units to a cluster.
Color: black (RAL 7021)

CL 80
Cluster bracket

Cluster bracket to connect PRO X 12/60 and for ceiling fastening of PRO X 12/60 and PRO X 15.
Color: black (RAL 7021)

FIT 10
Attachment hook

Attachment hook with ring eye, heavy duty type, to fit to the ANCRA JUNGFALK flight rails of the PA speaker systems.
Color: metal

KG 30
Ball clamp mount

Ball clamp mounting bracket with M8 external thread for direct mounting via the metal rail in the speaker cabinets rear panel. The white colored type incorporates a fixture for sound columns.
Colors: black (RAL 7021)
white (RAL 9010)

SR 21
Stand pipe

Telescope bar for standard 35 mm tripod stand bushing or in connection with LH 28. 4 step adjustment from 89 cm (35") up to 149 cm (58 2/3").
Color: black (RAL 7021)

LH 7 / LH 8
Tripod adaptor

MIC stand adaptor with 1/2" bzw. 3/8" internal thread and M8 external thread (in connection with LH 31) to mount on tripods with 1/2" respectively 3/8" thread.
Color: metal

LH 12 / LH 80
Mounting bracket

Mounting bracket for wall respectively ceiling fastening or in connection with LH 28 or LH 29 for fixing on tripods.
Color: black (RAL 7021)

LH 15
Mounting bracket

Mounting bracket for wall respectively ceiling fastening or in connection with LH 28 or LH 29 for fixing on tripods.
Color: black (RAL 7021)

LH 25
Mounting bracket

Mounting bracket for wall respectively ceiling fastening or in connection with LH 28 or LH 29 for fixing on tripods.
Colors: black (RAL 7021)
white (RAL 9010)

LH 26
Mounting bracket

Mounting bracket for wall respectively ceiling fastening or in connection with LH 28 or LH 29 for fixing on tripods.
Colors: black (RAL 7021)
white (RAL 9010)

LH 27
Ball clamp mount

Ball clamp mounting bracket (in connection with LH 25, LH 26 too). For wall and ceiling fastening. Omnidirectional adjustment.
Color: black (RAL 7021)

LH 28
Tripod stand adaptor

Adaptor for LH 12, LH 15, LH 25, LH 26, LH 31 and LH 36 - or direct fastening to speaker cabinet - for mounting on standard tripods with 35 mm diameter.
Colors: black (RAL 7021)
white (RAL 9010)

LH 29
TV-spigot

TV-spigot for LH 12, LH 15, LH 25, LH 26, LH 31 and LH 36 - or direct fastening to speaker cabinet - for mounting on light stands.
Color: metal

LH 31
Mounting adaptor

Mounting adaptor for connection with LH 7 / 8, LH 27, LH 28, LH 29 and LH 33.
Colors: black (RAL 7021)
white (RAL 9010)

LH 32
Wall bracket

Wall bracket, can be tilted horizontally and vertically, tightens with bolts.
Colors: black (RAL 7021)
white (RAL 9010)

LH 33
Tilt connector

Adaptor to incline speakers on 35 mm diameter tripod stands or on adjustable stand pipe SR 21 (in connection with LH 28 too). Incorporates stand adaptor. Continuous inclination 0° to 15° degrees, with fixing knurled screw.
Color: black (RAL 7021)

LH 36
Tilt connector

Adaptor to tilt speakers in the center of gravity up to 18°. Has M20 thread (for ceiling mount for instance) and 2 x M8 threads for LH 28 or LH 29.
Color: black (RAL 7021)

LH 37
Tripod stand bushing adaptor

Adaptor to fit to standard 35 mm tripod bushings for connection with LH 12, LH 15, LH 25, LH 26 and LH 36
Color: black (RAL 7021)

LH 38
Mounting bracket

Mounting bracket for ceiling fastening of PRO X 5. Also in connection with TV-spigot LH 29
Colors: black (RAL 7021)
white (RAL 9010)
