Very small, professional omni-directional lavalier microphone for miking speech and vocals. The KE 4 condenser capsule is protected from moisture by means of an umbrella diaphragm. It delivers a high-resolution, warm and distortion-free sound, making the MKE Essential particularly suitable for use in live theater productions.

With its small size, the MKE Essential is inconspicuous and very lightweight (16 g). It can be positioned securely and to suit the individual with the rotatable clip supplied. What is more, additional accessories are available for meeting specific requirements. The MKE Essential is available in black and beige.
