

CUSTOMER SUCCESS STORY

LC Packaging

A future-proof, intelligent working environment with state-of-the-art unified communication and AV solutions for LC Packaging

Challenge

Communication is key for LC Packaging as a multinational firm with 1,700 employees working in 16 countries. Teleconferencing and video conferencing facilities had been used for years, but not all were 100% user-friendly anymore.

Solution

For their new head office, LC Packaging opted for a future-proof smart working environment with state-of-the-art Unified Communication and AV solutions including Sennheiser's room microphone TeamConnect Ceiling 2.
