

Headmic 4

Headworn Microphone

FEATURES

- Modular system – cable, clips and windshields are easily interchangeable.
Headmic 4 comes with both 3.5 mm jack and 3-pin connector cables
- Outstanding sound quality and excellent feedback rejection
- Sleek and unobtrusive appearance
- Extremely lightweight but sturdy metal frame
- Individually adjustable for all head sizes
- Twist-proof microphone boom (\varnothing 1.1 mm) can be attached to the left or right side
- Soft case for convenient transport and storage
- Available in beige, black and silver

High-quality, permanently polarized condenser headmic with cardioid pick-up pattern, designed for professional applications. The adjustable neckband is visually unobtrusive and comfortable to wear. This ultra-lightweight (7 g) yet robust headmic features a KE 4 cardioid mic capsule, comes with two connector options (3.5 mm jack and 3-pin) and is available in 3 color variants (beige, black and silver). It is compatible with all Sennheiser bodypack transmitters.
